

## Sumário

<b>Description and molecular phylogeny of <i>Paramecium grohmannae</i> sp. nov. (Ciliophora, Peniculida) from a wastewater treatment plant in Brazil</b>	7 ... 19
Thiago da Silva Paiva, Bárbara do Nascimento Borges, Maria Lúcia Harada & Inácio Domingos da Silva-Neto	
<b>Morphology and divisional morphogenesis of the brackish water ciliate <i>Novistrombidium rufinoi</i> sp. nov. (Ciliophora: Oligotrichia) from Brazil</b>	20 ... 32
Thiago da Silva Paiva, Gabriela Cristina Küppers & Inácio Domingos da Silva-Neto	
<b>Improved silver carbonate impregnation method for rumen ciliate protozoa</b>	33 ... 40
Mariana Rossi, Franciane Cedrola, Roberto Júnio P. Dias, Isabel Martinele & Marta D'Agosto	
<b>Diversity of freshwater ciliates (Protista) from Argentina</b>	41 ... 62
Gabriela C. Küppers & María C. Claps	
<b>Checklist of ciliated protozoa from surface water and sediment samples of Atibaia River, Campinas, São Paulo (Southeast Brazil)</b>	63 ... 76
Taís Rondello Bonatti, Isabel Cristina Vidal Siqueira-Castro & Regina Maura Bueno Franco	
<b>Optimized culture and growth curves of two ciliated protozoan strains of <i>Paramecium caudatum</i> Ehrenberg, 1833 to use in ecotoxicological assays</b>	77 ... 90
Henrique Cezar Alves, Darci da Consolação Diniz Javaroti, José Roberto Ferreira & Mirna Helena Regali Selegim	
<b>Effects of fire stress to soil protozoan abundance and richness in a Brazilian savanna</b>	91 ... 111
Mayara Pierozzi, Darci Diniz da Consolação Javaroti & Mirna Helena Regali Selegim	

- Evaluation of sensitivity to zinc and copper of *Diophrys appendiculata* (Protozoa, Ciliophora) and their associated bacteria, both isolated from a tropical polluted bay** 112 ... 123
- José Augusto Pires Bitencourt, Daniella da Costa Pereira, Inácio Domingos da Silva-Neto, Mirian Araujo Carlos Crapez & Jose Antonio Baptista Neto
- First report of an epibiotic relationship between ciliates and planktonic Copepods in a Brazilian floodplain.** 124 ... 131
- Adalgisa Fernanda Cabral, Laura Roberta Pinto Utz & Luiz Felipe Machado Velho
- Mexican geographic distribution of *Balantidium coli* (Ciliophora: Litostomatea: Balantiidiidae) and some notes of Latin America balantidiosis** 132 ... 139
- Rosaura Mayén-Estrada, Carlos Durán-Ramírez, Victor Romero-Niembro, Margarita Reyes-Santos, Maricela Vicencio-Aguilar, Jorge H. Medina-Durán & Jovanny F. Y. Olvera-Bautista
- Occurrence of suctorian ciliates (Ciliophora, Suctoria) in a polluted creek in Southern Brazil** 140 ... 143
- Fernanda Benedetto Gazulha & Laura Roberta Pinto Utz
- In Memoriam: Prof. Mildem Rodrigues de Santa Rosa (1937-2014)** 144 ... 148
- Inácio Domingos da Silva-Neto
